REMARKS This is UNEVALUATED Information

1. On 14 December 1954, soldiers were observed walking between the former building of the Bezirksaltersheim (district old age home) at 25 Wiener Strasse in Ebreichsdorf (P 48/X 76) and Ebreichsdorf Castle, which was guarded by a sentry who wore red-bordered black epaulets. The service color of the soldiers could not be determined. After parling for about 30 minutes in front of building No 25 on Wiener Strasse, sedan with a driver wearing black-bordered black epaulets with signal insignia left toward Baden (O 49/X 37). Two majors wearing red-bordered black epaulets and three majors wearing black-bordered black epaulets entered the castle at which officers and only few soldiers were observed. Eleven trucks, 14 van-like motor vehicles, a full-track vehicle and another estimated 10 motor vehicles were parked in the area of the castle. Motor vehicles arriving at the site included van-like motor vehicle truck and jeep . The drivers of these vehicles wore red-bordered black epaulets. The three antenna installations were unchanged.

1. Comment. The observations reported from Ebreichsdorf tend to indicate that the former building of the Bezirksaltersheim (district old age home) houses now billets for Soviet officers' dependents. It is believed that component units of the 29th Independent Radio Regt on Special Assignment, of the Central Group of Forces are located in the castle.
